Name _____ Town _____

Gear to be used: *Dip Net _____

*Dipnet means a device consisting of a rigid frame filled with netting, firmly attached to a rigid handle and manually operated by a single person.

THIS PERMIT IS SUBJECT TO THE FOLLOWING CONDITIONS:

1. Species not covered by this permit shall be released immediately upon tending of gear.
2. You should receive permission from appropriate landowner (s) prior to dipping alewives.
3. There is a 48 hour closed period for the taking on alewives from midnight each Friday until midnight the following Sunday.
4. It is unlawful to fish within 150 feet of the fish pump located on the north bank of the Sebasticook River whether the pump is actually running at the time or not.
5. The landings in pounds or bushels and value shall be reported to the Department of Marine Resources no later than August 1 annually. (Form provided on the back of this permit). If landings are not reported by the end of each calendar year, the permit may not be reissued the following year. Please be advised that all information, including price per bushel/pound is considered CONFIDENTIAL.
6. This permit will be carried at all times by the Permittee when engaged in activities authorized herein and shall be presented to any uniformed law enforcement officer upon request.
7. No other gear may be placed in the water other than a dipnet.
8. No alteration of the shoreline or river bottom is permitted.
9. This permit expires on June 30.
